Have a safe and happy holiday!

- Rose Lane Park, 51st Ave. and Marlette Ave.
- Sahuaro Ranch Park, 63rd Ave. and Mountain View Rd.
- Western Area Regional Park, 83rd Ave. and Bethany Home Rd.

Trees must be unbagged, and all decorations, tree stands and metal stakes must be removed.

Holiday Sanitation Pick-up Schedule and Tips. City of Glendale offices will be closed on Friday, December 25, in observance of Christmas and on Friday, January 1 in observance of New Year’s Day. For those households whose scheduled garbage and recycling service falls on

these days, city sanitation crews will provide service on Saturday, Dec. 26 and Saturday, Jan. 2. The Glendale Municipal Landfill will also be closed.

Please remember that certain holiday items cannot be recycled. These items include ribbons, holiday lights, ornaments, garland, wrapping paper with silver or gold infused in with the paper, plastic bags, Styrofoam, toys, light bulbs and food. Please use the regular garbage service for these items.

During this season it’s also important to remember that some items may not be best disposed of in the regular sanitation or recycling. Many will be lucky enough to receive that new computer, flat screen TV or cell phone they’ve been wanting. Remember that the old items should be disposed of properly.

Throwing electronics into the garbage (bulk trash preferred) is perfectly legal. However, there are several other responsible options to consider:

- If the electronic device still works, think about donating it instead of throwing it away.
- Consider contacting one of the large electronic retailers for recycling options. Most have some type of program.
- Visit <http://earth911.com/>. This interactive site offers useful information on E-waste. Click on “Electronics” and give your zip code to find recycling options near you.
- Hold on to your electronic device until valley E-waste events become available. The City of Glendale held a pilot E-Waste event in February 2009 and is looking into potential future E-waste event options.

For more information on the city’s sanitation services, call (623) 930-2660. For more information on responsible recycling practices for the holidays, [click here](#).
